

Glencoe-Silver Lake School District #2859

North Park Lot Construction Guide

Information on where to park during summer of 2019

*Proudly serving the communities of:
Biscay, Brownton, Glencoe, New Auburn, Plato, and Silver Lake*

Summer of 2019

Start date will be June 10, 2019

General Information

- GSL will be resurfacing and reconstructing the north parking lot at our high school campus. This will have an impact to the daily operations of the school for the months of June and July. The document is to help manage and guide our public, delivers, summer programs, etc. etc. during these two months.
- Parking lot construction will start June 10 and end July 31 (we hope and all goes well).
- All vans and buses will use bus lane and use door #11
- Door number 14 and 18 (18 needs to be keyed), along with 11 will need to be programmed to be open at 5:30 a.m. to allow staff, field house members, and public in.
- All GSL staff are asked to park on 16th street during June and July or bike, get dropped off, or even carpooling etc. etc. to help reduce the number of cars in the Lincoln parking lot. The Lincoln parking lot will be the “main” lot for the summer.
- Please watch and be aware of any changes with schedules with custodial summer cleaning. There will be times where we ask for flexibility for staff and public.
- LAKESIDE – watch for information on details of the Lakeside parking lot. Not a lot of changes from a scheduling standpoint will need to happen, but we will notify people on start and finish dates.

Items to Consider

- **Field House Memberships** – parking in the Lincoln lot and walking through the school...they can enter through door 14 or 18 (18 is handicap accessible).
- **PAC** – All families will use bus lane and door 11 to drop off and pick up.....please park just ahead of the curb cutout to give room for buses and vans.
- **Kitchen deliveries** – Will need to use Door 10 at the east end of the high school. Other large deliveries will use door 4. UPS, FedEx will continue to use Door 14 (DO) on the west side of Lincoln.

- **Garbage -Will use garbage containers on east and west end of the school....the loading dock and field house dumpsters will not be in use.**
- **Community Ed activities - Baseball, softball, football camps, soccer camps.....parents will need to use Pryor Avenue and service road to access any fields. Parking and drop-off will be at the small north parking lot by the restrooms at the stadium. Most camps, games, etc. etc. will take place on fields A9 and A10 during June and July.....Football and soccer camps will use fields A7 and A8.**
- **Community Ed activities – Camps/activities in gyms– will use Lincoln parking lot.**
- **Community Ed activities - Silver Sneakers -Will use Lincoln parking lot and enter in door 18 and will be using the multipurpose room in the Early Childhood Learning Center.**
- **Safety – getting emergency vehicles to fields –no parking in bus lane (except for PAC), no parking in service road at any times. We will work with Construction Company to have availability to access fields if emergency would happen.**
- **Tennis – will use Pryor and park in small parking lot by the football field or they can park along side of south end of tennis court.**
- **ECFE impact – minor, most impact will be ECSE.....may need to work with Community Ed to schedule Silver Sneakers in multipurpose room.**
- **Summer School – High School, JH, Lakeside, Lakeside, Lincoln - use Lincoln parking lot**
- **Migrant Summer School – Buses will use the bus lane**
- **Summer Band Lessons will park in the south high school lot and enter in high school doors (door 9)**
- **Swimming lessons will park in the south high school lot and enter in high school doors (door 9).**

If there is ever a question, you can always park in the west parking lot of the Lincoln School. Enter through the District Office doors and we will help you. Thank you have a great summer!!!
